**INTERIM AGREED ORDER (1) AUTHORIZING THE DEBTOR TO OBTAIN
POST- PETITION FINANCING ON A SENIOR SECURED SUPERPRIORITY
BASIS, (2) AUTHORIZING USE OF COLLATERAL AND GRANTING ADEQUATE
PROTECTION, (3) SETTING AND PRESCRIBING FORM AND MANNER OF
NOTICE FOR FINAL HEARING AND (4) GRANTING RELATED RELIEF**

This matter is before this Court on the motion for debtor in possession financing and use of collateral and related relief [Doc. No .4] (the “*DIP Motion*”),¹ dated March 28, 2019, of the above captioned Debtor (the “*Debtor* ”), pursuant to sections 361, 363, 364 and 507 of title 11 of the United States Code (the “*Bankruptcy Code*”), Rules 2002, 4001, 6004 and 9014 of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”) and LR 9075-1 for entry of an Interim Order (the “*Interim DIP Order*”) and a final order (the “*Final DIP Order*”).

The Court having considered the DIP Motion, the evidence submitted or adduced, and the arguments of counsel made at the hearing on the Interim DIP Order (the “*Interim Hearing*”); and due and proper notice of the DIP Motion having been provided in accordance with Bankruptcy Rules 2002, 4001(b) and (d), and 9014, and LBR 9075, and no other or further notice being

¹ Except as otherwise set forth herein, capitalized terms used herein, but not defined herein, shall have the meanings ascribed to them in the DIP Motion.

required under the circumstances; and the Interim Hearing having been held and concluded; and it appearing that approval of the relief requested in the DIP Motion is fair and reasonable and in the best interests of the Debtor, its estate and its creditors, and is essential for the preservation of the value of the Debtor's assets; and all objections, if any, to the entry of this Interim DIP Order having been withdrawn, resolved or overruled by the Court; and after due deliberation and consideration, and for good and sufficient cause appearing therefor:

BASED UPON THE RECORD, THE COURT HEREBY FINDS:

1. On March 28, 2019 (the "**Petition Date**"), the Debtor commenced this case by filing a voluntary petition for relief under Chapter 11 of the Bankruptcy Code.
2. The Debtor is in possession of its property and is managing its affairs as a debtor in possession pursuant to §§ 1107(a) and 1108 of the Bankruptcy Code. No Trustee has been appointed, nor has a committee of unsecured creditors been appointed.
3. Debtor is a pediatric and healthcare operation with multiple locations and a sizeable committed patient base.
4. This case represents a second petition by Debtor in this Court, the prior Bankruptcy Case, case no. 3:15-bk-09031 (the "**First Bankruptcy Case**"), having been voluntarily dismissed by Debtor on May 21, 2018 via a structured dismissal that maintained certain creditor liens and priorities thereof. That structured dismissal was based on Debtor's representations to this Court that it had successfully used the protections of the Bankruptcy Code in the First Bankruptcy Case for maximum benefit by rejecting unprofitable leases and contracts, and using the protections of the automatic stay to streamline processes and reduce inefficiencies, thereby curing the issues that had threatened its ability to operate as a going concern on the First Bankruptcy Case petition date. However, as represented by Debtor in the motion to dismiss the First Bankruptcy Case, certain

ever increasing administrative costs to staying in bankruptcy, combined with the fact that the efficiencies achieved could not support a reorganization to be effectuated within the time frame contemplated under § 1129 of the Bankruptcy Code, and the fact that Debtor's principals were seeking a sale of either their membership interests in Debtor or of Debtor's assets, which sale they believed could more effectively be achieved outside of bankruptcy, warranted dismissal.

5. Debtor has filed the instant case because, notwithstanding its principals' stated intentions to effectuate a quick sale or obtain an equity infusion outside of bankruptcy, those efforts have been unsuccessful to date. Beginning with the filing of two large tax liens by the IRS within days after dismissal of the First Bankruptcy Case, and the subsequent termination of the line of credit from CDS, the Debtor's DIP Lender in the First Bankruptcy Case, shortly thereafter, Debtor's ability to achieve a reorganization or sale outside of bankruptcy has been greatly curtailed. The Debtor and its principals now recognize that, particularly in light of the substantial IRS tax liens, a sale of assets free and clear of liens in bankruptcy is likely the only viable option. While the assets could be sold in Chapter 7, Debtor submits that the value of Debtor's assets is much greater if sold as a going concern.

6. There is value in the General Intangibles as of the Petition Date, primarily consisting of goodwill associated with the ability to take over Debtor's existing substantial patient base as a going concern, and the location and public identification of its facilities. If Debtor's operations cease for any extended period of time as a result of its inability to obtain the DIP financing necessary to support a §363 sale, the value associated with the different components of General Intangibles will bring appreciably less funds if sold on a piecemeal basis in Chapter 7. Continued operation and servicing of the existing customer base is essential to maintain the ongoing business/enterprise value in order to capture the maximum sale price.

7. The Debtor asserts a Chapter 11 filing, followed by an expedient § 363 motion, is the only option for securing any material value of Debtor. The Debtor does not have the liquidity to survive for any period of time without post-petition financing.

8. The IRS is a pre-petition secured creditor, via perfected tax liens, secured by all assets of Debtor, including those assets in existence at the time the underlying tax assessments were made and all after-acquired assets. The terms of the DIP Facility require a priming lien over and above the IRS liens, without which there would be no accounts receivable against which CDS could lend as a secured creditor in the first days of this case, as well as a post-petition senior lien on all assets of Debtor, in order to secure CDS' advances thereafter. The IRS has consented to this priming lien and the other DIP protections set forth herein, in exchange for adequate protection set forth herein.

9. Debtor cannot fund ongoing operations without DIP financing. CDS has indicated a willingness to extend secured post-petition credit to Debtor, but only under the terms and conditions set forth herein and in the DIP Facility. The DIP Facility requires, *inter alia*, the existence of outstanding A/R as of the Petition Date against which to lend, which necessarily requires CDS obtaining a priming lien on the IRS' pre-petition Collateral, as well as being given a senior lien on all post-petition assets of Debtor.

10. A condition of the DIP financing herein is the appointment of an independent Chief Restructuring Officer (“**CRO**”) not removable by Debtor's management without court order. A motion to retain the CRO has been simultaneously filed with the instant motion. Another condition of the DIP financing proposed herein is that with the CRO's guidance, Debtor will file a §363 sale motion for a sale of its assets within 45 days of the Petition Date.

Pursuant to §§ 364(a) and (b) of the Bankruptcy Code, Debtor asserts that it has attempted, and is unable, to obtain either unsecured credit or unsecured credit allowable under Bankruptcy Code § 503(b)(1) as an administrative expense in the amounts and on as favorable terms as are being agreed to by CDS.

Secured Creditors, Liens and Amounts Owed

11. As of the Petition Date, all of Debtor's assets are subject to liens in the following order of priority, as applicable to asset category:

(a) CDS holds a valid, properly perfected senior priority first security lien in all general intangibles, accounts receivable, cash and cash equivalents and other assets related thereto, and proceeds thereof, subject to the priming senior liens of the IRS in certain accounts receivable and proceeds thereof ("**A/R**") as set forth in subparagraphs (b)(1) and (b)(2) herein below. CDS also holds a valid, properly perfected second priority lien in all other assets of Debtor, and proceeds thereof, junior only to Newtek Small Business Finance, LLC ("**NSBF**") as set forth below (the "**CDS Prepetition Liens**"). The amount owed by Debtor to CDS as of the Petition Date is \$1,442,983.55, which debt is valid, existing, and not subject to any defense, offset or counterclaim (the "**CDS Prepetition Lien Obligations**"). CDS is an undersecured creditor and entitled to adequate protection for Debtor's use of CDS' Collateral;

(b)(1) The IRS has a validly perfected, senior lien in A/R created by Debtor on or after July 14, 2018, pursuant to 26 U.S.C. § 6323, as a result of two IRS Tax Liens filed on May 30, 2018 for unpaid payroll taxes in the amount of \$2,777,837.85;

(b)(2) The IRS also has a validly perfected, senior lien in A/R created by the Debtor on or after August 9, 2018, pursuant to 26 U.S.C. § 6323, as a result of a June 25, 2018 IRS Tax Lien for unpaid payroll taxes in the amount of \$827,898.33;

(b)(3) The IRS also has a validly perfected, senior lien in A/R created by the Debtor on or after April 22, 2019, pursuant to 26 U.S.C. § 6323, as a result of a March 8, 2019 IRS Tax Lien for unpaid payroll taxes in the amount of \$1,085,437.49;

(b)(4) The amount owed by Debtor to the IRS on the Petition Date is at least \$4,691,173.67. The IRS is undersecured by these liens, since the amount of A/R as of the Petition Date is only \$1,889,569.12;

(c) NSBF has a valid, properly perfected lien in all assets of Debtor, tangible and intangible, and the proceeds thereof, subject only to the senior lien of CDS in General Intangibles and cash and cash equivalents of Debtor, and subject to the senior liens of CDS and the IRS in the Debtor's A/R, as set forth above (the "**NSBF Prepetition Liens**"). The amount owed by Debtor to NSBF is not less than \$2,569,235.78 (the "**NSBF Prepetition Lien Obligations**"). Debtor asserts that NSBF is an undersecured creditor, and therefore entitled to adequate protection for Debtor's use of the NSBF Collateral.

(d) McKesson Corporation holds a lien on all of Debtor's assets, junior to each of the foregoing named secured creditors. As a result, Debtor asserts that McKesson is completely unsecured in its debt.

12. As stated above, as of the Petition Date, Debtor has \$1,889,569.12 in outstanding A/R, all of which was created on or after July 14, 2018 and \$24,923.67 in cash on hand, all of which represents proceeds of A/R created on or after July 14, 2018. Therefore, the IRS, being owed in excess of \$4.6 million as of the Petition Date, is an undersecured creditor. Because a substantial portion of the outstanding A/R is in the form of monies owed from the United States Government, via Medicare and Medicaid payments, the IRS would be entitled to relief from the automatic stay in order to exercise offset and/or recoupment rights. Exercising offset rights by

offsetting payments of Medicare and Medicaid payments would immediately terminate Debtor's business and destroy the value of the company. Therefore, the IRS requires adequate protection in order to prevent it from so moving for stay relief.

13. The IRS has agreed to allow the priming lien on its pre-petition Collateral, and to temporarily forego the right to seek stay relief or otherwise offset or recoup, in exchange for (1) adequate protection payments from Debtor, using proceeds of the DIP Loan, in the amount of \$10,000.00 per month, as well as (2) court approval of the CRO Motion in order to ensure that postpetition payroll tax liabilities being accrued to the IRS are paid when and as due by a third party that assumes responsibility for collecting, accounting for, and paying over employees' payroll taxes and income taxes as required by 26 U.S.C. §§ 3102 and 3402 and who shall be personally liable for any failure to fulfill any of these responsibilities pursuant to 26 U.S.C. § 6672. Nothing in this Interim Order shall waive the IRS's right to seek such stay relief in the event that: (1) the adequate protection payments are not made timely; (2) the Debtor fails to effectuate a sale of its assets within 90 days of the deadline set above for filing a motion to sell its assets; or (3) the Debtor fails to comply with its obligations to pay its own employment taxes and/or its obligations to pay over its employees' payroll and income taxes. Also, nothing in this Interim Order shall waive the right of any other federal government agency, including the Department of Health and Human Services, from exercising setoff and/or recoupment rights against Debtor. Both CDS and NSBF have consented to allow the use of their Collateral in exchange for replacement liens in the same Collateral and in the same priorities between them as to post-petition acquired assets

14. Debtor believes that, under the circumstances, the terms and conditions provided for in the DIP Facility are fair and reasonable.

15. Debtor has stipulated to the following facts:

(a) The CDS and NSBF Prepetition Lien Obligations are: (i) legal, valid, binding and enforceable against Debtor and (ii) not subject to any contest, attack, objection, recoupment, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise. Debtor does not have, hereby forever releases, and is forever barred from bringing or asserting any claims, counterclaims, causes of action, defense or setoff rights relating to the CDS and NSBF Prepetition Lien Obligations, whether arising under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise against either of CDS or NSBF and their respective officers, directors, employees, attorneys, successors and assigns.

(b) CDS' and NSBF's Prepetition liens on the Prepetition Collateral are legal, valid, enforceable, non-avoidable, and duly perfected and are not subject to avoidance, attack, offset, recharacterization or subordination under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise and, as of the Petition Date, Debtor is not aware of any liens or security interests having priority over CDS' lien except for the liens of the IRS to be primed as set forth herein.

THEREFORE, IT HEREBY IS ORDERED THAT:

1. Findings and Conclusions. The findings and conclusions set forth above and herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 made applicable to these proceedings pursuant to Bankruptcy Rule 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

2. Authorization of Financing. The Motion is granted on an interim basis as set forth herein. The Debtor is hereby authorized to enter into the DIP Loan Agreement (the DIP Loan Agreement, together with all other agreements, documents, notes and instruments delivered

pursuant hereto or thereto or in connection herewith or therewith to the extent consistent in all respects with the terms and provisions of the DIP Loan Agreement, and including the budget attached to the Motion (the “**Budget**”) and this Interim DIP Order, are hereinafter collectively referred to as the “**DIP Financing Documents**”) in substantially the form attached to the Motion, and to borrow money, incur indebtedness and perform its obligations hereunder and thereunder in accordance with, and subject to, the terms of this Interim DIP Order and the other DIP Financing Documents, including, without limitation, the applicable Budget and subsequently approved weekly rolling 13 week budgets. The DIP Loan Agreement and Budget are attached hereto as Exhibit A and Exhibit B respectively.

3. Conditions Precedent. CDS shall have no obligation to make any loan or advance under the DIP Facility unless (i) the conditions precedent to making such loan under the DIP Facility have been satisfied in full or waived by CDS in its sole discretion, (ii) the total amount requested or outstanding does not exceed the Borrowing Base, (iii) The Debtor’s financial performance has not varied in any materially negative manner from its projections as shown in the Budget and (iii) there shall not exist any default under the DIP Facility.

4. Approval of DIP Financing Documents. The provisions of the DIP Financing Documents are hereby approved on an interim basis in all respects and all such provisions are binding and enforceable in full even if not expressly referenced in this Interim DIP Order pending entry of a final order on this DIP Motion.

5. Objections. Any objections to the Motion with respect to the entry of this Interim DIP Order that have not been withdrawn, waived, or settled, and reservations of rights included therein, are hereby denied and overruled.

6. Obligations of Debtor. Except as provided herein, upon execution and delivery of the DIP Financing Documents, the DIP Financing Documents shall constitute valid and binding obligations of the Debtor, enforceable against the Debtor in accordance with their respective terms.

7. Authorization to Use Collateral and Proceeds of DIP Facility. Pursuant to the terms and conditions of this Interim DIP Order, the DIP Loan Agreement and the other DIP Financing Documents, and in accordance with the Budget and the variances thereto set forth in the DIP Loan Agreement, (a) the Debtor is authorized to use the advances under the DIP Loan Agreement during the period commencing immediately after the entry of this Interim DIP Order pending entry of a final order on this DIP Motion or the occurrence of an uncured default or an Event of Default (as defined below) and the termination of the DIP Loan Agreement in accordance with its terms and subject to the provisions hereof; (b) the Debtor is authorized to use all Collateral of CDS, the IRS and NSBF, provided that each are granted adequate protection as hereinafter set forth; and, (c) the Debtor is authorized to use all Collateral, subject to the Budget, the DIP Loan Agreement, and this Interim DIP Order, regardless of whether any other creditor may claim an interest in such Collateral. Banks holding accounts of the Debtor are hereby authorized and directed to honor the Debtor's checks and other debits, drawn on any of the Debtor's bank accounts, regardless of whether any levy or garnishment lien may have attached to such accounts.

8. Priming of the Prepetition Liens. For the duration of this Interim DIP Order, payment of the prepetition amounts owed to CDS, the IRS and NSBF under their Prepetition Lien Obligations shall be primed and be subject to the indefeasible payment in full in cash of the DIP Obligations in accordance with the DIP Financing Documents. Without limiting the generality of the foregoing, and except as expressly set forth herein, unless and until all outstanding DIP Obligations are indefeasibly paid in full in cash, all other amounts due and owing under the DIP

Financing Documents are indefeasibly paid in full in cash and the DIP Loan Agreement and all commitments thereunder are terminated, under no circumstances shall the IRS or NSBF (with respect to any amounts owing under their Prepetition Lien Obligations) have any enforcement rights against the Prepetition Collateral or Post-Petition Collateral or any other rights or remedies that may interfere with or otherwise restrict the rights and remedies of CDS hereunder, under the other DIP Financing Documents, or otherwise, with respect to the DIP Obligations.

9. Post-Petition Liens. As security for the DIP Obligations, CDS hereby is granted a priming senior lien in all Debtor's assets of any kind, tangible and intangible, securing the IRS's pre-petition debt, and a valid, binding, enforceable, and automatically perfected senior priority lien in all of Debtor's post-petition rights, property and assets, tangible and intangible, which shall be valid and properly perfected without the necessity of the filing of any UCC financing statement or establishing any segregated bank accounts or entering into any control agreements with any depository institution (the "*CDS Post-Petition Priming Liens*"). Notwithstanding the foregoing provisions of this paragraph or anything to the contrary in the DIP Financing Documents, the CDS Post-Petition Priming Liens shall not attach to any of the following property: (a) any causes of action, including causes of action or claims pursuant to Sections 544, 545, 547, 548, 550, or 553 of the Bankruptcy Code (the "*Avoidance Actions*"); and (b) any monies recovered in connection with the successful prosecution or settlement of Avoidance Actions or any other causes of action held by the Debtor's estate. The Post-Petition Priming Liens shall only be as to the IRS, and any other pre-petition liens are not affected by this paragraph.

10. Super-Priority Claim. In addition, the DIP Obligations and any and all claims of CDS against the Debtor arising, as applicable, out of the DIP Financing Documents, or any provision of this Interim DIP Order regarding the Interim DIP Loan or with regard to the liens

granted herein and in the DIP Financing Documents in and to the Post-Petition Collateral, shall constitute an allowed super-priority claim (the “*Super-Priority Claim*”) in this Chapter 11 Case and any subsequent case in accordance with the provisions of Section 364(c)(1) of the Bankruptcy Code with priority over all other administrative expenses in the Debtor’s bankruptcy estate of the kind specified in, or ordered pursuant to, Section 105, 326, 328, 330, 332, 501(a), 503(b), 507(a), 507(b), 552, 726, 1114, or other similar Section of the Bankruptcy Code.

11. Adequate Protection for PrePetition Liens.

In exchange for the priming lien in favor of CDS on all assets securing the IRS’s Prepetition Claim, the IRS has consented to, and Debtor is authorized and directed to pay to the IRS, adequate protection payments in the amount of \$10,000.00 per month. Nothing contained herein shall be deemed to waive the IRS’s right to seek stay relief in the event that (1) the adequate protection payments are not made timely, (2) Debtor fails to effectuate a sale of its assets within 90 days of the deadline set forth above for filing a motion to sell its assets, or (3) Debtor fails to comply with its obligations to pay its own employment taxes and/or its obligations to pay over its employees’ payroll and income taxes. Nothing herein waives the right of any other federal government agency, including the Department of Health and Human Services, from exercising setoff and/or recoupment rights against Debtor.

As the holder of valid and properly perfected liens in Debtor’s Prepetition Collateral, CDS and NSBF are entitled to adequate protection for and on account of Debtor’s use of their Collateral and any other decline in value arising out of the automatic stay or Debtor’s use, sale, or disposition or other depreciation of the Prepetition Collateral. CDS and NSBF have consented to, and the Court orders, that CDS and NSBF are afforded adequate protection as follows: pursuant to §§ 361, 363(e) and 364(d) of the Bankruptcy Code, continuing valid, binding, enforceable, non-avoidable

and automatically perfected post-petition security interests in and liens (collectively the “**Replacement Liens**”) on the Postpetition Collateral in the same relative priorities to one another as they existed on the Petition Date (the “**DIP Collateral**”), with the Replacement Liens being junior only to: (i) the Carve-Out; and (ii) CDS’ Post-Petition Priming Lien. The Replacement Liens are otherwise senior to all other security interests in, liens on, or claims against any of the DIP Collateral. Except as provided herein, the Replacement Liens shall not be made subject to or *pari passu* with any lien or security interest by any court order heretofore or hereafter entered in this case or any successor case, and shall be valid and enforceable against any trustee appointed in this case or any successor case, or upon the dismissal of this case or any successor case. Subject to entry of the Final DIP Order, the Replacement Liens shall not be subject to §§ 506(c), 510, 549, or 550 of the Bankruptcy Code.

12. Carve-Outs.

The foregoing liens and administrative expense claim shall be subject to a carve out, against which CDS may retain reserves in accordance with the DIP Loan agreement, as follows: (a) quarterly fees required to be paid pursuant to 28 U.S.C. §(a)(6)(the “**U.S. Trustee Fees**”), (b) the hourly compensation to be paid to the CRO and Chiron Advisory Services as set forth in the approved CRO order (the “**CRO Carveout**”), (c) allowed claims of Debtor’s counsel, not to exceed \$200,000 (the “**Debtor’s Counsel’s Carve-Out**”), (d) allowed claims of any counsel for any unsecured creditors’ committee, if one if formed, not to exceed \$50,000.00 (the “**UCC Carve-Out**” and referred to collectively with the Debtor’s Counsel’s Carve-out, the “**§327 Carve-Out**”), and (e) a carve-out in an amount not to exceed \$117,605 to ensure payment of earned but unpaid salaries for not more than a two week period of non-insider employees of Debtor in the event of an unexpected cessation of Debtor’s business due to, and contemporaneously with, the termination

of access to the DIP Facility other than by reason of termination as a result of the expiration of the term of the financing and the non-renewal thereof (the “**Employee Carve-out**”) . Nothing herein shall be deemed a cap on the fees and expenses of counsel for the Debtor or any committee to the extent allowed by Orders of this Court, but shall only serve as a cap on how much of such allowed fees and expenses will be paid as part of the §327 Carve-Out. Notwithstanding the foregoing, the §327 Carve-Out shall exclude any fees and expenses incurred in connection with initiating or prosecuting any claims, causes of action, adversary proceedings, or other litigation against CDS or NSBF on account of either their Prepetition Liens or the CDS Post-Petition Priming Liens, including, without limitation, the assertion or joinder in any claim, counterclaim, action, proceeding, application, motion, objection, defenses or other contested matter, the purpose of which is to seek any order, judgment, determination or similar relief, (i) invalidating, setting aside, disallowing, avoiding, challenging or subordinating, in whole or in part, (a) the DIP Obligations, (b) the CDS or NSBF Prepetition Lien Obligations, (c) the CDS or NSBF Prepetition Liens, or (d) the CDS Post-Petition Priming Liens, or (ii) preventing, hindering or delaying, whether directly or indirectly, CDS’ or NSBF’s assertion or enforcement of their liens or security interests or realization upon any DIP Collateral or Prepetition Collateral, or (iii) prosecuting any Avoidance Actions against CDS or NSBF, or (iv) challenging the amount, validity, extent, perfection, priority, or enforceability of, or asserting any defense, counterclaim, or offset to, the CDS and/or NSBF Prepetition Lien Obligations, or the adequate protection granted herein, or (v) or any other litigation generally against CDS or NSBF. Nothing herein shall be construed to obligate CDS, in any way, to pay any professional fees, or to assure that Debtor has sufficient funds on hand to pay any professional fees.

13. Applicable Interest and Fees. Debtor shall be responsible for the payment of accruing interest and enumerated fees in the DIP Financing Documents (other than attorneys' fees and expenses as discussed in paragraph 19) when and as set forth in the DIP Financing documents, which amounts may be added by CDS to the outstanding DIP Facility loan balance without further order of the court. .

14. Limited Use of DIP Facility Proceeds. From and after the date of entry of this Interim DIP Order (the "*Effective Date*") until the Final DIP Hearing, the proceeds of the DIP Obligations, the Pre-Petition Collateral, and the Post-Petition Collateral shall not, directly or indirectly, be used to pay expenses of the Debtor or otherwise be disbursed except for those expenses and/or disbursements that are expressly permitted under the Budget or the DIP Loan Agreement. The Budget may include a payment of no more than \$50,000 per calendar month during the period from the entry of this Interim Order until the occurrence of a Termination Event (as hereinafter defined) to be held by the Debtor ("**Fee Reserve Payments**"), on behalf of its Estate, in a segregated account to be held in the Debtor's counsel's trust account (the "**Fee Reserve Account**"). In no event shall the funds held in the Fee Reserve Account exceed \$200,000.00, and once the Fee Reserve Account reaches \$200,000.00, Debtor shall no longer be permitted to make Fee Reserve Payments on a monthly basis into the Fee Reserve Account. Funds in the Fee Reserve Account will be used exclusively to pay any professional fee applications awarded to Debtor's counsel on an interim or final basis, and only after final order of the Court. Other than a right to object to any fee applications, no creditor shall have any rights in the Fee Reserve Account except to the extent that excess funds remain in the Fee Reserve Account after approval of all Debtor's counsel's fees by order of this court. Except for the purposes set forth in the first sentence of this

Paragraph, CDS has not consented or agreed to the use of the proceeds of the DIP Obligations, the Pre- Petition Collateral, or the Post-Petition Collateral.

15. Modification of the Automatic Stay. Subject to paragraph 17, the automatic stay of Section 362(a) of the Bankruptcy Code shall be, and it hereby is, modified and lifted to the extent necessary to permit CDS to receive, collect, and apply payments and proceeds in respect of the Post- Petition Collateral in accordance with the terms and provisions of this Interim DIP Order, the DIP Loan Agreement, and the other DIP Financing Documents.

16. Maturity. The DIP Facility, together with any and all other indebtedness and obligations of the Debtor to CDS, shall mature and be due and payable, by the Debtor to CDS, in full on the date (the “**Maturity Date**”) that is the earlier of:

- (a) on the date first set for approval of the Final DIP Order, if the Court denies entry of the DIP Order as submitted;
- (b) one hundred and twenty (120) days from the date this Interim Order is approved;
- (c) the date on which the Loan becomes due and payable at the election of Lender during the continuance of an Event of Default;
- (d) the earlier of (i) the date of an order confirming any sale of any assets of Debtor pursuant to 11 U.S.C. §363 or (ii) the effective date of the confirmation by the Bankruptcy Court of any Chapter 11 Plan, such date not to exceed fifteen (15) days from the date of such confirmation.

Debtor’s right to use cash collateral terminates on the Maturity Date.

17. Preservation of Rights. If it shall be necessary for CDS, at any time, to exercise any of its respective rights and remedies under the DIP Loan Agreement due to a default by the

Debtor, CDS shall, upon five (5) business days' notice to the U.S. Trustee, counsel to the creditors' committee, if such committee has been appointed, and counsel to the Debtor, have the right to exercise remedies, including but not limited to commencing liquidation without the need for relief from the automatic stay. Pursuant to the DIP Loan Agreement, a copy of which is attached to the Motion, the Debtor shall be deemed to be in default under the DIP Loan Agreement when an Event of Default, as such term is defined in the DIP Loan Agreement, occurs. Events of Default include, but are not limited to, the following:

- (a) failure to obtain entry of the final DIP Order as presented on the date first set for hearing thereon;
- (b) Debtor's failure to obtain appointment of a Chief Restructuring Officer agreeable to CDS, and on such terms and conditions agreeable to CDS, at the hearing thereon;
- (c) Debtor's failure to provide the Budget to CDS.

CDS shall provide Debtor's counsel, the U.S. Trustee, any committee appointed in the Case, with notice of any Events of Default under the DIP Financing Documents concurrently with notice of such default(s) being given to the Debtor and filed with the Court.

18. Right of Access. Without limiting the rights of access and information afforded CDS under the DIP Financing Documents, the Debtor shall not interfere or prevent representatives, agents, and/or employees of CDS from having reasonable access to their premises and their records during normal business hours and shall cooperate, consult with, and provide to such persons all such non-privileged information as they may reasonably request.

19. Reimbursement of Costs and Expenses. CDS shall be entitled to reimbursement of reasonable fees and expenses, including, without limitation, attorneys' fees (the "**CDS Post-Petition Fees and Expenses**") which may be effectuated by increasing the outstanding balance

owed under the DIP Facility; provided, however, that copies of all invoices reflecting the CDS Post-Petition Fees and Expenses shall be served by email on counsel for the Debtor, the U.S. Trustee, and the Committee (if any) (collectively the “**Fee Notice Parties**”), who shall have ten (10) business days to review and to assert any objections thereto; provided further, that such invoices may contain redactions, except that copies of invoices provided to the U.S. Trustee shall not be redacted, and the provision of such invoices (including the unredacted copies provided to the U.S. Trustee) shall not constitute a waiver of the attorney-client privilege or any benefits of the attorney work product doctrine. Unredacted copies of such invoices provided to the U.S. Trustee shall be subject to and protected under section 107(c)(3)(B) of the Bankruptcy Code. If no objection to the payment of the CDS Post-Petition Fees and Expenses is made in writing by the Fee Notice Parties within ten (10) calendar days after delivery of such invoices, then, without further order of, or application to, the Court or notice to any other party, CDS may increase the outstanding balance of the DIP Facility to reflect reimbursement to it under the DIP Facility . If an objection is made by any of the Fee Notice Parties within the ten-day objection period to the payment of the CDS Post-Petition Fees and Expenses, then the disputed portion of such expenses shall not be added to the outstanding loan balance by CDS until the objection is resolved by the applicable parties in good faith or by order of the Court, and the undisputed portion may be added to the outstanding loan balance by CDS as set forth above.

20. Automatic Perfection. All liens granted herein shall pursuant to this Interim DIP Order be, and they hereby are, deemed perfected effective as of the Effective Date, and no further notice, filing, or other act shall be required to effect such perfection; provided, however, that, if CDS shall, in its sole discretion, choose to file financing statements, notices of liens and security interests, and other similar documents related to the DIP lien, all such financing statements, or

similar instruments shall be deemed to have been filed or recorded at the time and on the date of entry of this Interim DIP Order.

21. Waivers. Subject to entry of the Final DIP Order, the IRS, CDS and NSBF are entitled to waiver of (a) any “equities of the case” exception under §552(b) of the Bankruptcy Code , and (b) the provisions of §506(c) of the Bankruptcy Code, and no costs or expenses of administration which have been or may be incurred in this case at any time shall be charged against any prepetition secured party, any of the Prepetition Lien Obligations, any of their respective claims, or the collateral pursuant to sections 506(c) or 105(a) of the Bankruptcy Code, or otherwise, without the prior written consent of such prepetition secured party, and no consent shall be implied from any other action, inaction, or acquiescence by any of the prepetition secured parties or their respective representatives.

22. No Third Party Rights. Except as explicitly provided for herein, this Interim DIP Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect, or incidental beneficiary. Without limiting the foregoing, the priming of the IRS’, CDS’ and NSBF’s Prepetition Liens is for the benefit of CDS only, and does not, under any circumstances inure to the benefit of any other creditor.

23. Effect of Stipulations on Third Parties. The stipulations and findings of fact set forth herein shall be binding upon all parties-in-interest, including, without limitation, CDS, NSBF, the IRS, the Debtor, its officers, director and agents, any creditor, any Committee appointed by the United States Trustee, any subsequent trustee, responsible person, examiner with expanded powers, and any other Estate representative unless: (a) a party-in-interest, other than one of the parties set forth above, with standing and requisite authority has timely filed a motion seeking standing to file an adversary proceeding or contested matter or has timely filed an adversary

proceeding or contested matter by no later than the date that is the later of, (i) (a) 30 days from the date of the selection of counsel for the Committee, (b) if no such committee has been appointed, no later than 45 days (or a longer period as the Court orders for cause shown before the expiration of such period) after the entry of the Final DIP Order, or (c) upon conversion of the chapter 11 case to chapter 7, to the extent that any relevant challenge period has not expired, such period shall be automatically extended for 30 days from the date a chapter 7 trustee is appointed, or (ii) such later date as has been agreed to, in writing, by CDS in its sole discretion (the “**Challenge Deadline**”), (1) challenging the validity, enforceability, priority or extent of CDS or NSBF Prepetition obligations or CDS’ or NSBF’s Prepetition liens on the Prepetition collateral or (2) otherwise asserting or prosecuting any action for preferences, fraudulent conveyances, other avoidance power claims or any other any claims, counterclaims or causes of action, objections, contests or defenses that Debtor’s estate may have (collectively, “**Claims and Defenses**”) against CDS or NSBF or their affiliates, representatives, attorneys or advisors in connection with matters related to CDS or NSBF Prepetition Lien Loan Documents, the Prepetition Obligations, or the Prepetition collateral, and (b) there is a final order in favor of the plaintiff sustaining any such challenge or claim in any such adversary proceeding or contested matter filed by the Challenge Deadline; provided, that as to Debtor, all such Claims and Defenses are hereby irrevocably waived and relinquished as of the Petition Date. If no such motion for standing or adversary proceeding or contested matter, as applicable, is filed by the Challenge Deadline: CDS’ and NSBF’s Prepetition obligations shall constitute allowed claims, not subject to counterclaim, setoff, subordination, recharacterization, defense or avoidance, for all purposes in this case and any subsequent chapter 7 cases; CDS’ and NSBF’s Prepetition liens on the Prepetition collateral shall be deemed to have been, as of the Petition Date, legal, valid, binding and perfected, not subject to

recharacterization, subordination, avoidance or reduction, except by payment; and, CDS' and NSBF's Prepetition obligations, the Prepetition liens on the Prepetition collateral and CDS and NSBF shall not be subject to any other or further challenge by any party in interest seeking to exercise the rights of Debtor's estate, including, without limitation, any successor thereto (including, without limitation, any chapter 7 or 11 trustee appointed or elected for Debtor). If any such motion for standing or adversary proceeding or contested matter, as applicable, is filed by the Challenge Deadline, the stipulations and statements of fact contained in this Interim DIP Order shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on any Committee and on any other person or entity, except to the extent that such findings and admissions were expressly challenged in such adversary proceeding or contested matter. Nothing in this Interim DIP Order vests or confers on any Person (as defined in the Bankruptcy Code), including any Committee, standing or authority to pursue any cause of action belonging to the Debtor or their estates, including, without limitation, Claims and Defenses with respect to the CDS and NSBF Prepetition First Liens or their Prepetition First Lien Obligations.

24. Successors and Assigns. The provisions of this Interim DIP Order shall be binding upon and inure to the benefit of CDS, NSBF, the IRS and the Debtor, together with their respective successors and assigns (including any trustee or other fiduciary hereafter appointed as a legal representative of the Debtor or with respect to the property of the estate of the Debtor); provided, however, that CDS shall have no obligation to extend financing to any such trustee, fiduciary or similar person.

25. Effect of Amendment, Modification, or Appeal. Based upon the findings set forth in this Interim DIP Order and in accordance with Section 364(e) of the Bankruptcy Code, which is applicable to the post-petition financing arrangements contemplated by this Interim DIP Order,

in the event any or all of the provisions of this Interim DIP Order or any other DIP Financing Documents are hereafter modified, amended, or vacated by a subsequent order of this or any other Court, no such modification, amendment, or vacatur shall affect the validity, enforceability, or priority of any Post-Petition Lien, or claim authorized or created hereby or thereby. Notwithstanding any such modification, amendment, or vacatur, any claim granted to CDS hereunder with respect to the Interim DIP Loan or under the other DIP Financing Documents arising prior to the effective date of such modification, amendment or vacation shall be governed in all respects by the original provisions of this Interim DIP Order and the other DIP Financing Documents, and CDS shall be entitled to all of the rights, remedies, privileges, and benefits, including the liens and priorities granted herein and therein, with respect to any such claim.

26. Effect of Plan Confirmation. The obligations of the Debtor in respect of the DIP Obligations, unless otherwise indefeasibly paid in full or provided as otherwise agreed upon, shall not be altered, modified, extended, impaired, affected or discharged by the entry of an order: (a) confirming a plan(s) of reorganization in the Debtor's Chapter 11 Case; (b) dismissing the Debtor's Chapter 11 Case; or (c) converting all or any of the Debtor's Chapter 11 Case under Section 1112 of the Bankruptcy Code.

27. No Waiver. Notwithstanding anything herein, the entry of this Interim DIP Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair: (a) any of the rights of CDS under the Bankruptcy Code or under non- bankruptcy law, including, without limitation, the right of CDS to: (i) request additional adequate protection of its interests in the Post-Petition Collateral, or relief from or modification of the automatic stay extant under Section 362 of the Bankruptcy Code; (ii) request conversion of the Debtor's Chapter 11 Case to cases under Chapter 7 of the Bankruptcy Code; and (iii) propose, subject to the provisions of

Section 1121 of the Bankruptcy Code, a Chapter 11 plan; or (b) any of the rights, claims or privileges (whether legal, equitable or otherwise) of CDS.

28. Good Faith Finding. The transactions contemplated by the DIP Loan Agreement have been entered into by CDS in good faith, and, as a result, CDS is entitled to the protections afforded by Section 364(e) of the Bankruptcy Code in the event of any reversal or modification of this Interim DIP Order.

29. Bank Accounts. Debtor is authorized and directed to deposit all receipts into its account at Bank of America and to write all Post-Petition checks on Debtor's accounts at that bank. The Debtor is also authorized to establish zero balance, blocked, restricted, or single purpose bank accounts, and lockboxes, as CDS may require, to administer the collection and application of accounts receivable, including those arising under or in connection with Medicare and Medicaid. Notwithstanding the foregoing, the lack of a restricted account does not affect the validity, perfection, or priority of CDS' Post-Petition Priming Lien in the cash on deposit in any of the Debtor's bank accounts, in connection with all amounts owed pursuant to the DIP Facility.

30. Retained Jurisdiction. This Court shall retain jurisdiction to hear and determine all matters arising from the implementation of this Interim DIP Order.

31. Immediate Effect of Order. Based upon the record presented to the Court, this Interim DIP Order shall constitute findings of fact and conclusions of law and, notwithstanding Bankruptcy Rules 6006(h), 6006(d), 7062, or 9014 or any other Bankruptcy Rule or Rule 62(a) of the Federal Rules of Civil Procedure, shall take effect immediately and be enforceable upon execution hereof.

32. Final Hearing.

(a) The Final Hearing to consider entry of the Final DIP Order and final approval of the Motion is scheduled for April 30, 2019 at 10:00 a.m., prevailing Central Time at the United States Bankruptcy Court for the Middle District of Tennessee. If no objections to the relief sought in the Final DIP Hearing are filed and served in accordance with this Interim DIP Order, no Final DIP Hearing may be held, and a separate Final DIP Order may be presented by the Debtor and entered by this Court.

(b) On or before April 5, 2019, the Debtor shall serve, by United States mail, first class postage prepaid, notice of the entry of this Interim DIP Order and of the Final Hearing (the “***Final Hearing Notice***”), together with copies of this Interim DIP Order, the proposed Final DIP Order and the Cash Collateral Motion, on: (i) the Office of the U.S. Trustee; (ii) the Office of the United States Attorney for the Middle District of Tennessee; (iii) the Internal Revenue Service; (iv) the Debtor’s twenty largest unsecured creditors; (v) counsel to CDS; (vi) all other known parties asserting a lien on the Debtor’s assets or that otherwise may have an interest in the Prepetition Collateral and the Post-Petition Collateral; and (vii) any party that has filed prior to such date a request for notices with this Court. The Final Hearing Notice shall state that any party in interest objecting to the entry of the proposed Final DIP Order shall file written objections with the Clerk of the bankruptcy Court no later than April 25, 2019 at 4:00 p.m. prevailing Central time (the “***Objection Deadline***”) which objections shall be served so that the same are received on or before such date by: (a) bankruptcy counsel for the Debtor; (b) counsel for CDS and NSBF, Daniel H. In the event this Court modifies any of the provisions of this Interim DIP Order or the DIP Financing Agreements following such further hearing, and subject to any Successful Challenge Action, such modifications shall not affect the rights and priorities of CDS pursuant to this Interim DIP Order, and this Interim DIP Order shall remain in full force and effect except as specifically amended or modified at such Final Hearing.

2. ADVANCES AND TERMS OF PAYMENT

2.1 Revolving Advances; Advance Limit. Client hereby agrees to sell and assign to NEWTEK and NEWTEK agrees to purchase (in all cases with full recourse to Client), from and after the date hereof until the Termination Date, those now existing and hereafter arising Accounts Receivable of Client which NEWTEK in its sole discretion determines to be Approved Accounts Receivable. The purchase price of each Approved Account Receivable shall be the gross amount thereof less any trade discounts, cash discounts and medical insurance company, Medicare or Medicaid discounts which may be available to the account debtors with respect to such Accounts Receivable. So long as no Event of Default, or an event which through the passage of time or the giving of notice or both would constitute an Event of Default, has occurred, if NEWTEK purchases any such Approved Account Receivable, the Client may request, and NEWTEK may in its sole discretion, make, Advances of the purchase price of Purchased Accounts Receivable in an amount of up to eighty percent (80%) of the realizable collection value (as determined by Newtek) of the aggregate outstanding amount of Purchased Accounts Receivable; provided, however, that in no event shall the aggregate amount of the outstanding Advances under this Agreement be greater than One Million Dollars (\$1,000,000.00) at any time outstanding plus the sum of interest, fees and expenses (said dollar limit the *Advance Limit*). NEWTEK may in its discretion repay the Advances from the collected proceeds of any Accounts Receivable (or other Collateral), if NEWTEK determines that it is unable to effectuate timely collection of an Approved Account for any reason or determines the Approved Account Receivable is no longer an Approved Account Receivable. If, at any time and for any reason, the aggregate amount of the outstanding Advances under this Agreement exceeds the Advance Limit or percentage limitations contained in the preceding sentence, then Client shall, upon demand by NEWTEK, immediately pay to NEWTEK, in cash, the amount of such excess, or at NEWTEK's option NEWTEK may charge such excess against any reserves held by NEWTEK. NEWTEK shall maintain reserves against Client's availability for Advances and may maintain reserves against non-Approved Accounts Receivable as well, or maintain a cash collateral deposit account, which NEWTEK in its discretion deems appropriate, and may increase such reserves or reduce its advance percentages based on Purchased Accounts Receivable without declaring an Event of Default and without prior notice, if it determines, in its discretion, that such increase in reserves or reduction is necessary, including, without limitation, to protect its interest in the Collateral and/or against diminution in the value of any Collateral, or to insure the prospect of payment or performance by Client of its Obligations to NEWTEK are not impaired, and/or to maintain reserves for any carve-outs for: (i) professional or consulting fees and expense (other than pertaining to Borrower's counsel but including any creditor committee(if one is appointed) retained professionals); (ii) carve-outs for up to two weeks of the Client's employee salaries; and (iii) maintain a reserve of not less than \$50,000 per month from availability to cover carve-outs for the Client's legal fees and expenses to its counsel, provided for under any financing or other order issued by the Bankruptcy Court .

2.2 Authorization to Make Advances. NEWTEK is hereby authorized to make the Advances based upon emailed correspondence in reply to NEWTEK's availability report or other acceptable written instructions received from anyone purporting to be an Authorized Officer, or, at the discretion of NEWTEK, if such Advances are necessary to satisfy any Obligations. All requests for Advances shall specify the date on which such Advance is to be made (which day shall be a Business Day), the amount of such Advance and if such Advance is to be effectuated through ACH or wire transfer. Requests for Advances must be received on two days prior to the day receipt of the Advance is requested. All Advances made under this Agreement shall be conclusively presumed to have been made to, at the request of, and for the benefit of, Client, when deposited to the credit of Client or otherwise disbursed in accordance with the instructions of Client or in accordance with the terms and conditions of this Agreement. Unless otherwise requested by Client, all Advances shall be made by ACH to the deposit account of Client designated on schedule 2.2 annexed hereto, or such other account as Client shall notify NEWTEK in writing.

2.3 Interest.

A. Except where specified to the contrary in the Purchase Documents interest shall accrue on the Daily Balance at the per annum rate of seven percent (7.00%) above the Prime Rate (but not less than five percent (5.00%)). The Obligations shall, at the option of NEWTEK, (i) from and after the occurrence of an Event of Default, and without constituting a waiver of any such Event of Default, or (ii) if the Obligations are not paid in full by the Termination Date, and without waiving the maturity of the Obligations on the Termination Date, bear interest at the per annum rate which is three percent (3.0%) above the Rate otherwise then in effect (the "Default Rate"). All interest payable under the Purchase Documents shall be computed on the basis of a three hundred sixty (360) day year for the actual number of days elapsed on the Daily Balance. Interest as provided for herein shall continue to accrue until the Obligations are paid in full.

B. The interest rate payable by Client under the terms of this Agreement shall be adjusted in accordance with any change in the Prime Rate from time to time on the date of any such change. All interest payable by Client shall be due and payable on the first day of each calendar month during the Term. NEWTEK may, at its option, add such interest and all NEWTEK Expenses to the Obligations, and such amount shall thereafter accrue interest at the rate then applicable under this Agreement.

C. In no event shall interest on the Obligations exceed the highest lawful rate in effect from time to time. It is not the intention of the parties hereto to make an agreement which violates any applicable state or federal usury Laws. In no event shall Client pay or NEWTEK accept or charge any interest which, together with any other charges upon the principal or any portion thereof, exceeds the maximum lawful rate of interest allowable under any applicable state or federal usury Laws. Should any provision of this Agreement or any existing or future Notes or Purchase Documents between the parties be construed to require the payment of interest or any other fees or charges which could be construed as interest which, together with any other charges upon the principal or any portion thereof and any other fees or charges which could be construed as interest, exceeds the maximum lawful rate of interest, then any such excess shall be automatically applied to the remaining principal balance of the Obligations, if any, and the remainder refunded to Client.

2.4 Collection of Accounts Receivable.

Upon execution of this Agreement the Client shall send the form of letter to its account debtors who are not Governmental Account Debtors substantially in the form attached hereto as Exhibit A. All of Client's sales shall be billed and invoiced by Client at Client's expense on forms acceptable to NEWTEK directing payment of invoices to the appropriate lockbox as directed by NEWTEK to Client. Those account Debtors who are Governmental Account Debtors, to have imprinted thereon, alternatively, instructions, in form satisfactory to NEWTEK, for the account debtors to make payments into a lockbox account or other blocked account or in the case of Governmental Account Debtors on Medicaid and Medicare payments into a bank account subject to a Deposit Account Restriction Agreement, established by NEWTEK pursuant to which collections shall be transferred to NEWTEK's account, and Client shall enter into such documentation with the bank and NEWTEK as shall be required by NEWTEK and the bank to effectuate such purpose (as more fully described in Section 2.4(d) herein below). As to all Accounts from account debtors the assignment of whose Accounts Receivable are not prohibited by applicable law, NEWTEK may at any time, with or without notice to Client, notify customers or account debtors or other obligors that the Accounts Receivable or other Collateral have been assigned to NEWTEK, and that NEWTEK has a security interest in them and collect the Accounts Receivable and other Collateral directly, and add the collection costs and expenses to the Obligations. If notwithstanding said notice Client obtains payment on any Account Receivable or other Collateral, including, without limitation, collections under credit card sales, Client shall receive all such payments on Accounts Receivable and other related Collateral and other proceeds, including cash, in trust for NEWTEK and immediately deliver said payments to NEWTEK in their original form as received from the account debtor or other obligor, together with any necessary endorsements, and the failure by the Client to do so within three (3) Business Days of Client's receipt thereof shall constitute an Event of Default.

(a) Without in any way limiting NEWTEK's rights or remedies or implying any consent or waiver by NEWTEK to Client's failure to make timely delivery, if at any time following four weeks after the date of this Agreement, Client receives any form of payment directly with respect to any Purchased Account Receivable and Client fails to remit such payment in kind (duly endorsed) to NEWTEK within three (3) Business Days of Client's receipt thereof, the Client shall pay NEWTEK an administrative processing fee equal to fifteen percent (15%) of any payment so received by Client, which fee shall be assessed and shall constitute an Obligation chargeable to Client's account with NEWTEK.

(b) Client shall maintain a lockbox (the "**Lockbox**") with a United States depository institution designated from time to time by Lender (the "**Lockbox Bank**"), subject to the provisions of this Agreement, and shall execute with the Lockbox Bank a Deposit Account Control Agreement and such other agreements related to such Lockbox as Lender may require. Client shall ensure that all collections of Accounts (other than Accounts for which the Account Debtor is a Governmental Account Debtor) are paid directly from Account Debtors into the Lockbox for deposit into the Lockbox Account and/or directly into the Lockbox Account; *provided, however*, Client shall be permitted to cause Account Debtors who are individuals to pay Accounts directly to Client, which Client shall promptly (in any event, within three (3) Business Days) deposit into a bank account (over which Lender maintains a Deposit Account Control Agreement without lockbox features, if Lender

shall at any time so elect) which is set-up to automatically sweep to the Payment Account once the balance in such bank account exceeds \$1,000.00.

(c) If any of the Account Debtors are Governmental Account Debtors, Client shall establish and maintain additional lockboxes (also herein referred to collectively in the singular as the “**Lockbox**”) and related Lockbox Accounts with the Lockbox Bank, subject to the provisions of this Agreement, and shall execute with the Lockbox Bank a Deposit Account Restriction Agreement and such other agreements related to such Lockbox as Lender may require. Client shall ensure that all collections of Accounts due from Governmental Account Debtors are paid directly from such Account Debtors into the applicable Lockbox and/or Lockbox Account established pursuant to this subsection for deposit into the Lockbox Account established pursuant to this subsection.

- (i) All funds deposited into a Lockbox Account shall be transferred into the Payment Account by the close of each Business Day; provided, however, that all funds deposited into a Lockbox Account that is subject (or required to be subject) to a Deposit Account Restriction Agreement shall be transferred into either (at Lender’s option) (i) the Payment Account by the close of each Business Day, or (ii) the Lockbox Account established pursuant to Section 2.4(d) which transfer shall be made via an automatic immediate intrabank transfer, and then transferred to the Payment Account by the close of each Business Day.
- (ii) Notwithstanding anything in any lockbox agreement or Deposit Account Control Agreement or Deposit Account Restriction Agreement to the contrary, Client agrees that they shall be liable for any fees and charges in effect from time to time and charged by the Lockbox Bank in connection with the Lockbox and the Lockbox Account, and that Lender shall have no liability therefor. Client hereby indemnifies and agrees to hold Lender harmless from any and all liabilities, claims, losses and demands whatsoever, including reasonable attorneys’ fees and expenses, arising from or relating to actions of Lender or the Lockbox Bank pursuant to this Section or any lockbox agreement or Deposit Account Control Agreement or Deposit Account Restriction Agreement other than actions by Lender or the Lockbox Bank which constitute gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(d) Lender shall apply, on a daily basis (subject to subsection (d) above, all funds transferred into the Payment Account pursuant to this Section to reduce the outstanding Revolving Loans in such order of application as Lender shall elect or as otherwise provided in this Agreement. If as the result of collections of Accounts pursuant to the terms and conditions of this Section a credit balance exists with respect to the Payment Account, such credit balance shall not accrue interest in favor of Client, but shall be available to Client upon request of Client at any time or times for so long as no Default exists.

(e) Client acknowledges and agrees that compliance with the terms of this Section is essential, and that Lender will suffer immediate and irreparable injury and have no adequate remedy at law, if Client, through acts or omissions, cause or permit Account Debtors to send payments other than to the applicable Lockbox, or if Client fails to immediately deposit collections of Accounts or proceeds of other Collateral in the Lockbox Account as herein required. Accordingly, in addition to all other rights and remedies of Lender hereunder, Lender shall have the right to seek specific performance of the Client’s obligations under this Section, and any other equitable relief as Lender may deem necessary or appropriate, and Client waives any requirement for the posting of a bond in connection with such equitable relief.

(f) Client shall not, and Client shall not suffer or permit Client to, (i) withdraw any amounts from any Lockbox Account, (ii) change the procedures or sweep instructions under the agreements governing any Lockbox Accounts, or (iii) send to or deposit in any Lockbox Account any funds other than payments made with respect to and proceeds of Accounts or other Collateral. Client shall, and shall, cooperate with Lender in the identification and reconciliation on a daily basis of all amounts received in or required to be deposited into the Lockbox Accounts.

(g) If Client breaches its obligation to direct payments of the proceeds of the Collateral to the Lockbox Account, Lender, as the irrevocably made, constituted and appointed true and lawful attorney for Client, may upon reasonable prior notice to Client, by the signature or other act of any of Lender's officers (without requiring any of them to do so), direct any Account Debtor to pay proceeds of the Collateral to Clients by directing payment to the Lockbox Account.

2.5 Bank Accounts. Client will not, and will not permit any Subsidiary to, directly or indirectly, establish any new bank account into which proceeds of Collateral are deposited without prior written notice to Lender and unless (a) Lender, Client or such Subsidiary and the bank at which the account is to be opened, enter into a Control Agreement regarding such bank account pursuant to which such bank acknowledges the security interest of Lender in such bank account, agrees to comply with instructions originated by Lender directing disposition of the funds in the bank account without further consent from Client, and agrees to subordinate and limit any security interest the bank may have in the bank account on terms satisfactory to Lender, and (b) Lender shall have received such confirmations or agreements as Lender shall deem necessary to confirm that no holder of Subordinated Debt has or will have any Lien upon such bank account.

2.6 Covenants Pertaining to Licensed Operator. To the extent Client or any of its subsidiaries (if any) is a Licensed Operator, to induce Lender to enter into this Agreement and to make the Loans and other credit accommodations contemplated hereby, each Licensed Operator hereby covenants and agrees with Lender that:

(a) Licensed Operator will:

(1) maintain in full force and effect, and free from restrictions, probations, conditions or known conflicts which would materially impair the use or operation of any Licensed Location for its current use, all Healthcare Permits necessary under Healthcare Laws (A) to carry on the business of Licensed Operator as it is conducted on the Closing Date, and (B) if Licensed Operator receives or has applied for Medicaid or Medicare reimbursements as part of its business, to continue to receive reimbursement under Medicare and Medicaid in substantial compliance with all requirements for participation in, and for the licensure required to provide the services that are reimbursable under, Medicare and Medicaid, including, without limitation, the Medicare and Medicaid Patient Protection Act of 1987, as the same may be amended, and such other Third Party Payor Programs as to which any Licensed Operator receives or has applied for reimbursement as part of its business;

(2) not suffer or permit to occur any of the following:

- (i) any transfer of a Healthcare Permit or rights thereunder to any Person (other than Client or Lender) or to any location other than a Licensed Location approved by Lender in advance in writing;
- (ii) any pledge or hypothecation of any Healthcare Permit as collateral security for any indebtedness other than indebtedness to Lender or to a creditor under a Subordination Agreement;
- (iii) any rescission, withdrawal, revocation, amendment or modification of or other alteration to the nature, tenor or scope of any Healthcare Permit without Lender's prior written consent, including, without limitation, (I) any change to the authorized units/beds capacity of any Licensed Location and/or the number of units/beds approved by the

applicable Governmental Authority, and (II) any transfer all or any part of any Licensed Location's authorized units or beds to another site or location;

- (iv) any voluntary transfer of any resident of any Licensed Location to any other facility, unless such transfer is at the request of the resident (without economic incentives being given to the resident by an Affiliate of Licensed Operator) or its payor or is for reasons relating to non-payment or the health, required level of medical care or safety of the resident to be transferred;
- (v) without Lender's prior written consent, the provision by Licensed Operator of regulated services in addition to those required by Healthcare Permits at any Licensed Location, including, without limitation, medical services; or

(3) cause all Healthcare Permits and any other agreements necessary for the use and operation of the Licensed Location or as may be necessary for participation in Third Party Payor Programs to remain in effect without reduction in the number of licensed beds or beds authorized for use in applicable Third Party Payor Programs;

(4) following the occurrence and during the continuance of any Event of Default, upon Lender's request, if permitted by any applicable legal requirements, turn over to Lender all resident deposits (and any interest theretofore earned thereon) with respect to the Licensed Locations, to be held by Lender subject to the terms of their related agreements;

(5) provide to Lender upon request, an accurate, complete and current list of all participation agreements with Third Party Payors with respect to the business of Licensed Operator; and

(6) maintain a corporate health care regulatory compliance program ("CCP") which includes at least the following components and allows Lender and/or any outside consultants from time to time to review such CCP: (A) standards of conduct and procedures that describe compliance policies regarding Laws with an emphasis on prevention of fraud and abuse; (B) specific officer within high-level personnel identified as having overall responsibility for compliance with such standards and procedures; (C) training and education programs which effectively communicate the compliance standards and procedures to employees and agents, including, without limitation, fraud and abuse Laws and illegal billing practices; (D) auditing and monitoring systems and reasonable steps for achieving compliance with such standards and procedures including, without limitation, publicizing a report system to allow employees and other agents to anonymously report criminal or suspect conduct and potential compliance problems; (E) disciplinary guidelines and consistent enforcement of compliance policies including, without limitation, discipline of individuals responsible for the failure to detect violations of the CCP; and (F) mechanisms to immediately respond to detected violations of the CCP.

(b) If any Licensed Location is currently accredited by JCAHO, Licensed Operator shall (i) maintain such accreditation in good standing and without limitation or impairment, (ii) promptly submit to JCAHO a plan of correction for any deficiencies listed on any JCAHO accreditation survey report, and (iii) cure all such deficiencies within such time frame as is necessary to preserve and maintain in good standing and without limitation or impairment such JCAHO accreditation.

(c) If required under applicable Healthcare Laws, Client has and shall maintain in full force and effect a valid CON for no less than the number of beds and units in the Licensed Locations as of the date of this Agreement.

(d) Client shall maintain any applicable CON free from restrictions or known conflicts which would materially impair the use or operation of each Licensed Location for its current use, and shall not permit any CON to become provisional, probationary or restricted in any way.

2.7 Crediting Payments. The receipt of any item of payment by NEWTEK for credit to Client's account, shall for purposes of interest calculation, be credited by NEWTEK to Client's account three (3) Business Days following the date NEWTEK actually receives such item of payment. Notwithstanding anything to the contrary contained herein, payments received by NEWTEK after 11:00 a.m. Eastern time shall be deemed to have been received by NEWTEK as of the opening of business on the immediately following Business Day.

2.8 Minimum Charges. Commencing on the 91st day of this Agreement, in the event that the rolling three month average of Advances made and outstanding in any three (3) month period is less than \$250,000.00 (the "*Minimum*"), Client shall pay NEWTEK the following fees: (a) a fee calculated by multiplying the difference between the Minimum and the actual average of the daily Advances during the three month period of calculation (the "*Minimum Difference*") by (i) the average daily interest rate (inclusive of the default rate if such is then in effect) during such three month period and (ii) the actual number of days during the three month period in question, and (b) a Monitoring Charge calculated by multiplying (iii) the Minimum Difference by (iv) seventy (0.70%) basis points (but if there shall exist an Event of Default at the time of calculation then the basis points for this calculation shall increase to two hundred basis points (2.0%)), by (v) the number of actual days in the three month period of calculation.

2.9 Field Examination Fee. Client shall pay NEWTEK a fee (the *Field Examination Fee*) in an amount equal to NEWTEK's standard fee, then in effect, charged for such purpose (which as of the date of this Agreement is our customary fee in such regard, and which may be subject to change without prior announcement, is One Thousand Dollars (\$1,000) per day per examiner), plus out-of-pocket expenses for each examination of Client's Books or the other Collateral performed by NEWTEK or its designee.

2.10 Monthly Statements. NEWTEK may render monthly statements to Client of all Obligations, including statements of all Advances, interest and NEWTEK Expenses, and Client shall have fully and irrevocably waived all objections to such statements and the contents thereof unless, within thirty (30) days after receipt, Client shall deliver to NEWTEK, by registered, certified or overnight mail as set forth in Section 12 hereof, written objection to such statement specifying the error or errors, if any, contained therein.

2.11 Processing Fee. Client shall pay NEWTEK a processing fee equal to NEWTEK's standard processing fee then in effect per transaction (which fee as of the date of this Agreement, and which may be subject to change, is thirty-five cents (\$0.35 per transaction), whether by check, ACH, wire, cash or credit card received by NEWTEK from Client's customers in payment of any of Client's Accounts Receivable.

2.12 Collateral Monitoring Fee. In consideration of monitoring, ledgering and other administrative functions undertaken by NEWTEK in connection with the Purchased Accounts Receivable, Client shall pay NEWTEK a monthly Collateral Monitoring Fee calculated by multiplying (i) seventy basis points (0.70%) (except during the existence of an Event of Default at which time it shall be one (1%) percent) by (ii) the average amount of the outstanding Advances during the calendar month preceding the month for which the calculation is made. The Collateral Monitoring Fee shall be charged to Client's account at the end of each calendar month.

2.13 Line Fee. Upon the execution of this Agreement and approval thereof by the Bankruptcy Court and upon each anniversary date of this Agreement during which this Agreement is in effect, Client shall pay NEWTEK a fee of one and one-half (1.5%) percent of the Advance Limit.

2.13 Collections and Lockbox Account.

(a) If any of the Account Debtors are Governmental Account Debtors, Client shall establish and maintain additional lockboxes (also herein referred to collectively in the singular as the "**Lockbox**") and related Lockbox Accounts with the Lockbox Bank, subject to the provisions of this Agreement, and shall execute with the Lockbox Bank a Deposit Account Restriction Agreement and such other agreements related to such Lockbox as Lender may require. Client shall ensure that all collections of Accounts due from Governmental Account Debtors are paid directly from such Account Debtors into the applicable Lockbox and/or Lockbox Account established pursuant to this subsection for deposit into the Lockbox Account established pursuant to this subsection.

(b) All funds deposited into a Lockbox Account shall be transferred into the Payment Account by the close of each Business Day; provided, however, that all funds deposited into a Lockbox Account that is subject (or required to be subject) to a Deposit Account Restriction Agreement shall be transferred into either (at Lender's option) (i) the Payment Account by the close of each Business Day, or (ii) the Lockbox Account established pursuant to Section 2.15(a) which such transfer shall be made via an automatic immediate intrabank transfer, and then transferred to the Payment Account by the close of each Business Day.

(c) Notwithstanding anything in any lockbox agreement or Deposit Account Control Agreement or Deposit Account Restriction Agreement to the contrary, Client agrees that they shall be liable for any fees and charges in effect from time to time and charged by the Lockbox Bank in connection with the Lockbox and the Lockbox Account, and that Lender shall have no liability therefor. Client hereby indemnifies and agrees to hold Lender harmless from any and all liabilities, claims, losses and demands whatsoever, including reasonable attorneys' fees and expenses, arising from or relating to actions of Lender or the Lockbox Bank pursuant to this Section or any lockbox agreement or Deposit Account Control Agreement or Deposit Account Restriction Agreement other than actions by Lender or the Lockbox Bank which constitute gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(d) Lender shall apply, on a daily basis (subject to subsection (j) below), all funds transferred into the Payment Account pursuant to this Section to reduce the outstanding Revolving Loans in such order of application as Lender shall elect or as otherwise provided in this Agreement. If as the result of collections of Accounts pursuant to the terms and conditions of this Section a credit balance exists with respect to the Payment Account, such credit balance shall not accrue interest in favor of Client, but shall be available to Client upon request of Client at any time or times for so long as no Default exists.

(e) To the extent that any collections of Accounts or proceeds of other Collateral are not sent directly to the Lockbox but are received by Client, such collections shall be held in trust for the benefit of Lender pursuant to an express trust created hereby and immediately remitted, in the form received, to applicable Lockbox and Lockbox Account. No such funds received by Client shall be commingled with other funds of the Client.

(f) Client acknowledges and agrees that compliance with the terms of this Section is essential, and that Lender will suffer immediate and irreparable injury and have no adequate remedy at law, if Clients, through acts or omissions, cause or permit Account Debtors to send payments other than to the Lockbox, or if Client fails to immediately deposit collections of Accounts or proceeds of other Collateral in the applicable Lockbox Account as herein required. Accordingly, in addition to all other rights and remedies of Lender hereunder, Lender shall have the right to seek specific performance of the Client's obligations under this Section, and any other equitable relief as Lender may deem necessary or appropriate, and Client waives any requirement for the posting of a bond in connection with such equitable relief.

(g) Client shall not, and Client shall not suffer or permit Client to, (i) withdraw any amounts from any Lockbox Account, (ii) change the procedures or sweep instructions under the agreements governing any Lockbox Accounts, or (iii) send to or deposit in any Lockbox Account any funds other than payments made with respect to and proceeds of Accounts or other Collateral. Client shall, and shall cause each Client to, cooperate with Lender in the identification and reconciliation on a daily basis of all amounts received in or required to be deposited into the Lockbox Accounts.

(h) For purposes of calculating interest, all funds transferred from the Payment Account for application to any Revolving Loans shall be subject to a three (3) Business Day clearance period.

(i) If any Client breaches its obligation to direct payments of the proceeds of the Collateral to the applicable Lockbox Account, Lender, as the irrevocably made, constituted and appointed true and lawful attorney for Client, may upon reasonable prior notice to Client, by the signature or other act of any of Lender's officers (without requiring any of them to do so), direct any Account Debtor to pay proceeds of the Collateral to Client by directing payment to the Lockbox Account.

3. TERM

3.1 Term and Renewal Date. This Agreement shall become effective upon execution by both Client and NEWTEK and shall continue in full force through the Initial Term and (if Client is still under the jurisdiction of the Bankruptcy Court then subject to Bankruptcy Court Approval) from year to year thereafter (a "Renewal Term") if NEWTEK, at its option, in writing agrees to extend the Term for one (1) year(s) from the then Termination Date, provided that Client has not exercised its termination right in accordance with this Section 3.1. Client may terminate this Agreement on the Termination Date (then in effect) by giving NEWTEK at least sixty(60) days prior written notice by registered or certified mail, return receipt requested. In addition, NEWTEK shall have the right to terminate this Agreement at any time upon thirty (30) days prior written notice delivered to Client by mail, e-mail or facsimile or immediately at any time upon the occurrence of an Event of Default. No such termination shall relieve or discharge Client of its duties, Obligations and covenants hereunder, until all Obligations have been paid and performed in full, and NEWTEK's continuing security interest in the Collateral and its other rights hereunder and under applicable law shall remain in effect until the Obligations have been fully and irrevocably paid and satisfied in cash or cash equivalent. On the Termination Date of this Agreement, the Obligations shall be immediately due and payable in full to Newtek , and after such termination any credit balance in Client's favor shall continue to be held by Newtek, without interest, until a final accounting is rendered unless Client shall furnish Newtek with an undertaking satisfactory to Newtek against any items chargeable to Client hereunder.

3.2 Termination Fee.

1) NEWTEK shall have the right to terminate this Agreement at any time upon not less than thirty (30) days' prior written notice or by e-mail or fax or immediately upon any Event of Default, as defined herein below. (b) Cease advancing money or extending credit to or for the benefit of Client under the Purchase Documents or under any other agreement between Client and NEWTEK;

(c) Terminate this Agreement as to any future liability or obligation of NEWTEK, but without affecting NEWTEK's rights and security interest in the Collateral and without affecting the Obligations;

Client shall assemble the Collateral if NEWTEK so requires and deliver or make the Collateral available to NEWTEK at a place designated by NEWTEK. Client authorizes NEWTEK to enter any premises where the Collateral is located, to take and maintain possession of the Collateral, or any part of it, and to pay, purchase, contest or compromise any encumbrance, charge or lien on the Collateral which in NEWTEK's determination appears to be prior or superior to its security interest or lien, and to pay all expenses incurred in connection therewith;

(g) Ship, reclaim, recover, store, finish, maintain, repair, prepare for sale, lease, license or other disposition, advertise for sale, lease, license or other disposition, and sell, lease, license or otherwise dispose (in the manner provided for herein or in the Code) the Collateral. names, trademarks, service marks, and advertising matter, or any asset of a similar nature, pertaining to the Collateral, in completing the production of, advertising for sale, lease, license or other disposition, and sale, lease, license or other disposition of the Collateral. Client's rights under all licenses and all franchise agreements shall inure to NEWTEK's benefit;

(h) Sell, lease, license or otherwise dispose of the Collateral at either a public or private proceeding, or both, by way of one or more contracts or transactions, for cash or on terms, in such manner and at such places (including Client's premises) as NEWTEK determines is commercially reasonable. It is not necessary that the Collateral be present at any such sale;

(i) NEWTEK shall give notice of the disposition of the Collateral as follows:

- (1) To Client and each holder of a security interest in the Collateral who has filed with NEWTEK a written request for notice, a notice in writing of the time and place of public sale or other disposition or, if the sale or other disposition is a private sale or some other disposition other than a public sale is to be made, then the time on or after which the private sale or other disposition is to be made;

No delay on the part of NEWTEK in exercising any right, power or privilege under any Purchase Document shall operate as a waiver, nor shall any single or partial exercise of any right, power or privilege under such Purchase Documents or otherwise, preclude other or further exercise of any such right, power or privilege.

10. TAXES AND EXPENSES REGARDING THE COLLATERAL

If Client fails to pay any monies (whether taxes, assessments, insurance premiums or otherwise) due to third persons or entities, or fails to make any deposits or furnish any required proof of payment or deposit, or fails to perform any of Client's other covenants under any of the Purchase Documents, then in its discretion and without prior notice to Client, NEWTEK may do any or all of the following: (a) make any payment which Client has failed to pay or any part thereof; (b) set up such reserves in Client's account as NEWTEK deems necessary to protect NEWTEK from the exposure created by such failure; (c) obtain and maintain insurance policies of the type described in Section 6.10 hereof and take any action with respect to such policies as NEWTEK deems prudent; or (d) take any other action deemed necessary to preserve and protect its interests and rights under the Purchase Documents. Any payments made by NEWTEK shall not constitute: (a) an agreement by NEWTEK to make similar payments in the future or (b) a waiver by NEWTEK of any Event of Default. NEWTEK need not inquire as to, or contest the validity of, any such expense, tax, security interest, encumbrance or lien and the receipt of notice for the payment thereof shall be conclusive evidence that the same was validly due and owing.

Client, on its own behalf and on behalf of its successors and assigns hereby expressly waives all rights, if any, to require a marshaling of assets by NEWTEK or to require that NEWTEK first resort to some portion(s) of the Collateral before foreclosing upon, selling or otherwise realizing on any other portion thereof.

All risk of loss, damage or destruction of the Inventory or Equipment shall be borne by Client. NEWTEK shall have no obligation to protect any rights of Client against any person obligated on any Collateral
